

inkresko

Your partner for industrial parts & equipment

DISTRIBUTION - SERVICE - EU QUALITY

OUR CLIENT BASE

Industries

Cement

Dredging

Sugar

Mining

Oil & gas (onshore & offshore)

Container handling

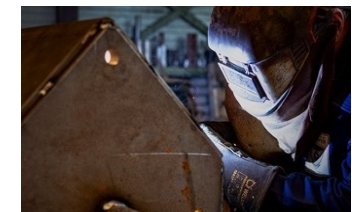

Bulk handling

Energy

Steel

Heavy

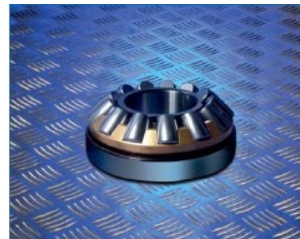

Belgian quality bearing manufacturer

Products & services

- ❑ Full range of highly competitive **bearing types**
- ❑ Robust and ideal for dusty & tropical environments
- ❑ EU quality & engineering support
- ❑ In-house developed quality **bearing grease**

Key clients

- ❑ Mining
- ❑ Cement
- ❑ Milling
- ❑ Aviation
- ❑ Food
- ❑ Marine
- ❑ Sugar

EU quality gearboxes, new & repair

Products & services

- New build gearboxes
- Repair & maintenance of old gearboxes
- Supply of parts
- Custom made parts
- Even without drawings or they are too old

We solve the problem!

Key clients

- Mining
- Cement
- Port terminals
- Shipping & marine construction equipment
- Sugar, Milling
- Steel
- Energy, Oil & Gas

EU quality marine (rubber) products

Company information

Marine rubber specialty supplies.

- ❑ Extended product range in rubber specialty supplies & ancillary items
- ❑ Personalised branding

Key clients

- ❑ Oil & Gas
- ❑ Marine construction & dredging industry
- ❑ Ports, harbours, terminals
- ❑ Marine emergency & oil spill intervention teams
- ❑ Civil construction (rubber bearings)

EU quality marine (rubber) products

Product categories

Oil hoses

Dredging hoses

Rubber fenders

EU quality marine (rubber) products

Product categories

Rubber bearings

Marine products

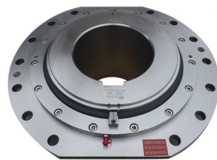

Ancillary products

EU quality cable sheaves, couplings & wheels

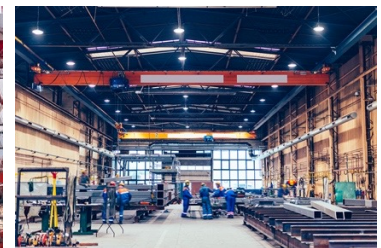

Products

- Sheaves
- Couplings
- Wheels
- Hooks

Key clients

- Portshandling & shipyards
- Mobile & fixed cranes
- Crane industry
- Offshore & marine
- Mining
- Construction
- Industry

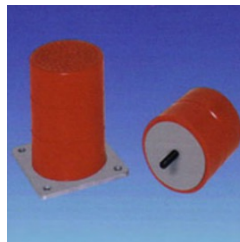

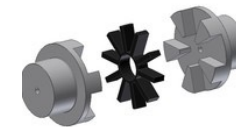

EU quality couplings & power transmission components

Products

- ❑ Couplings, all types
- ❑ Hydraulic & polyurethane buffers
- ❑ Drum brakes
- ❑ Gear spindles

Key clients

- ❑ Port handling equipment
- ❑ Oil & Gas
- ❑ Offshore & marine & shipyards
- ❑ Crane industry
- ❑ Mining
- ❑ Construction

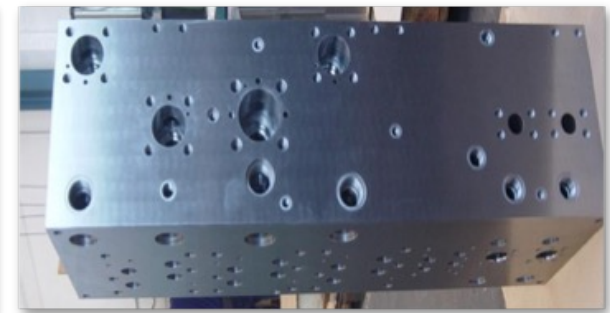

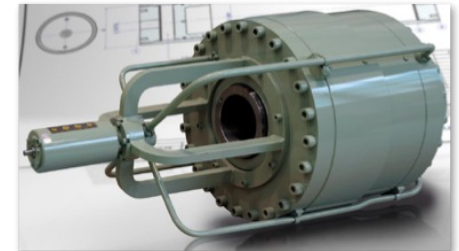

EU quality hydraulic equipment & solutions

Products & services

- Power units
- Hydraulic cylinders
- Manifold blocks
- Piston accumulators
- Rotary units
- Turn key hydraulic solutions/ projects**

Key clients

- Wind - Solar - Hydro
- Marine offshore
- Steel
- Presses
- Mining
- Mobile

EU Quality Hydraulic parts

Products & services

- ❑ All spares for hydraulic systems
- ❑ Flexibles, hoses and couplings
- ❑ Filters and heat exchangers
- ❑ Pumps, valves and distributors
- ❑ Actuators, accumulators, lubricant
- ❑ Test & measure equipment
- ❑ ...+...+...

Key clients

- ❑ Wind-Solar-Hydro
- ❑ Marine offshore
- ❑ Steel
- ❑ Marine
- ❑ Mining
- ❑ Industry

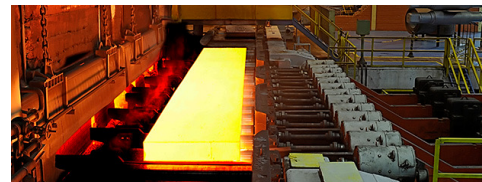

EU producer of engineering chain equipment & solutions

Products & services

- ❑ Standard & special conveyor and traction chains
- ❑ Scraper & transmission chains
- ❑ Drop forged chains, sprockets & wheels
- ❑ Special chains
- ❑ Service advice & consulting

Key clients

- ❑ Power, cement, mining
- ❑ Steel, canning, escalators
- ❑ Automotive
- ❑ Escalators
- ❑ Food, packaging, pulp & paper
- ❑ Brick & ceramic
- ❑ Chemical & fertiliser, water & waste water
- ❑ Glass & bottle sterilisation

inkresko

EU quality large seal producer

Products & services

- ❑ Large rotary shaft seals
- ❑ Hydraulic cylinder seals
- ❑ Static & semi-static seals
- ❑ Machine seals
- ❑ Inflatable seals
- ❑ Other seals

Key clients

- ❑ Heavy duty cylinders
- ❑ Hydraulic press
- ❑ Hydro power
- ❑ Metallurgy
- ❑ Shipbuilding
- ❑ Tunnelling
- ❑ Wind power
